

Friends of Vincent (FOV) Youth & Young Adults

Our parish has been blessed with a variety of ministries and communities for young people, each contributing uniquely to the pastoral needs of the parish. Over time, and through prayerful discernment in 2025, it became clear that there was a call to grow closer together — to strengthen collaboration, deepen unity, and bring all youth ministries under a shared pastoral vision.

With this in mind, **Friends of Vincent (FOV)** was formed to gather and connect the various youth ministries of the Church of St. Vincent de Paul under a single collective umbrella. FOV is overseen by our Pastoral Coordinator, supported by a Youth Council, and accompanied by our Youth Chaplain, **Fr. Clarence Yue**

The name *Friends of Vincent* reminds us that we do not walk this journey alone. As Catholics, we believe that the Saints walk with us as fellow pilgrims, and our parish patron, St. Vincent de Paul, is no exception. Looking to his life and example reflects our desire to live Christ-centred, God-rooted lives, both as individuals and as a faith community.

FOV exists to support all youths and young adults of the parish in growing in their faith and in finding a place where they belong. Through fellowship, formation, and service, we hope to draw our young people ever closer to the Liturgy and to fuller participation in the life of the wider Church.
